

International Solutions

Global services meeting international standards

International Solutions has a simple vision – to help you reach global markets.

Together with our international network we work with you to ensure you have all the local insight and knowledge you need to ensure your overseas expansion is a success.

You're ready to take the steps to expand your business internationally. Your business is at the right stage of development, you have identified overseas markets and you are ready for the challenge. It's now time to address the financial regulations and compliance requirements of the country you are heading to. International expansion has the potential to take your business to the next level – but it can also be complex and unpredictable.

For your business to succeed in a foreign environment, you need a team that can work with you to provide professional financial and business advice on an international level, with local insight and knowledge. This is where Nexia can help.

Nexia forms part of Nexia International – a network of independent professional accounting firms with global representation. With over 590 member firms across Australia and 100 other countries, we can provide the professional connections, advice and solutions you need to maximise business opportunities – wherever you are.

International Solutions provides you with region-specific insight, business compliance advice and the strategies and measures you need to minimise the potential pitfalls of an unfamiliar financial environment.

Services include:

- Outbound transactions
- Expansion
- Assisting foreign businesses and branches to establish local operations
- Cross-border taxation issues
